FACULTY SECTION

MISS GLORIA LEWIS

Kate Maremont Award Teacher

DEDICATED TEACHERS

Every year two teachers are selected from throughout the city of Chicago to be honored as dedicated teachers. The Marshall faculty was honored last year by the selection of Miss Gloria Lewis, a member of our music department, to receive the Kate Maremont Dedicated Teacher Citation and Travel Grant.

Miss Lewis' contribution to the growth and development of Marshall students in choral music and civic responsibilities through sponsorship of the Marshall Civic Association has been strikingly remarkable. Her mixed chorus has achieved superior ratings year after year, which attests to her outstanding ability to organize and develop untrained voices into a coordinated unity of excellence. Her devotion to the school and community is manifested in her unselfish conduct of time and effort to its cultural activities.

Miss Lewis, through her sponsorship of the Marshall student government, dedicated herself to the task of training our young people in the basic principles of democratic government. In the midst of student protest and demands, she steadfastly guided student energies in the direction of accepted standards of negotiation. Students who are fortunate enough to come under her supervision and inspiration are much wiser and better prepared to meet the challenges of today's problems.

SENIOR CLASS . . .

JUNE 1969

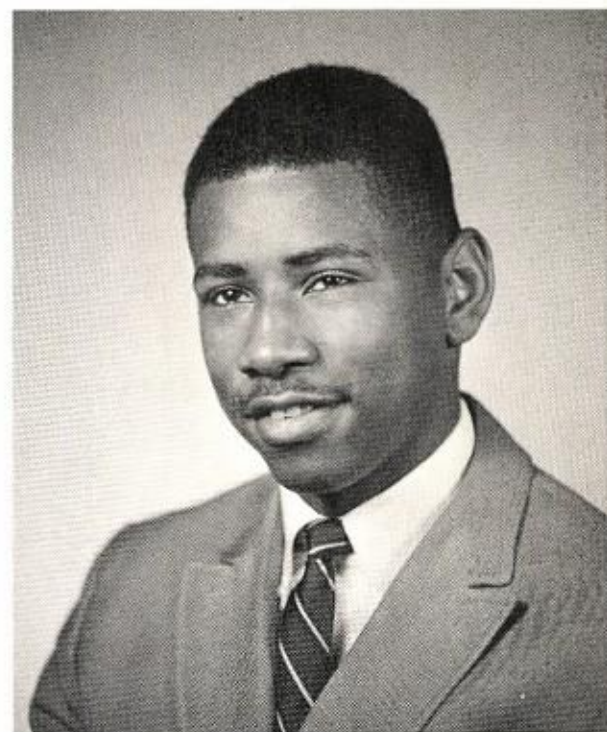

Black students have so much about which to be proud. Today—as a color, as a person, as a culture—black has become a vital shade in American life. The graduates of 1969 represent the black students of today who have awakened to the reality of self.
